

Cumberland County

Republican Committee

July 2026

The voters have spoken!

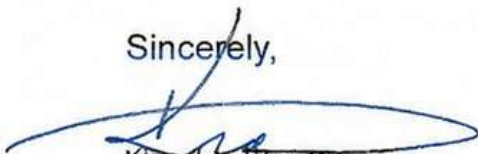

The Cumberland County Republican Committee is proud to support **Jeffrey “Jeff” Clark** for **State Representative** in Pennsylvania’s **88th District**. Jeff has spent his entire life serving others — first as a decorated military veteran, then through a distinguished career in law enforcement. He understands the challenges facing our communities because he has lived them alongside us.

Jeff is running for the State House to give working families a stronger, more accountable voice in Harrisburg. After watching state spending rise while household incomes struggle to keep pace, he believes the district deserves leadership focused on responsibility, public safety, and the everyday concerns of the people who call the 88th home.

Jeff Clark has always stepped forward when his community needed him. He is a proven servant, not a career politician. I believe he will bring that same dedication to representing us in Harrisburg.

A vote for Jeff is a vote for fiscal responsibility, safe neighborhoods, and proven leadership! Vote **Jeffrey Clark** for the **88th District** on **November 3, 2026!**

Sincerely,

Kingsley Blasco
Chairman
